

APPLICATION

To use the MT Connect and MT Connect Superset range there are some required accessories and some optional accessories. These accessories include the 19" panels, faceplates for RJ45 jacks, faceplates for LC adaptors, faceplates for MTP adaptors and blanking plates.

FEATURES

- Ultra high performance connectors to achieve a low loss optical budget
- Plug and play modules allow fast installation of multiple fibre links
- High fibre density (up to 96 fibres per 1U panel)
- Solution set includes option of mixing Cu and FO outlets in the same panel

MTConnect Panels & Faceplates
