This certificate is issued to **Brand Rex Limited to certify that, at their request, the undersigned Surveyor did attend at their works at Viewfield Industrial Estate, Glenrothes, KY62RS, Scotland on the above date for the purpose of inspecting and reviewing manufacture of the following product:**

**Screened Category 6A IEC Communication Cable, Individual Foil Screened Without Overall Screen, 100 Ohm, 4 Twisted Pairs, 26 AWG, Flame Retardant Low Smoke Halogen Free (LSHF) Copper Cable**

**Brand-Rex Identification MarineSafe Cat6A U/FTP CCC**

### Scope of Inspection

An inspection and review of the manufacturing and test facilities at the Brand-Rex site was carried out in the company of Brand-Rex production and design engineers who outlined and explained the manufacturing and testing processes in place for the grade of Communication Cable detailed above. Test reports and Third Party Compliance Statements (reference 3P Compliance Statement No. 110491D), outlining and confirming testing to the following standards were reviewed:

- Category 6A performance requirements of 3<sup>rd</sup> edition of IEC Cable Standard 61156-6 (modified for flex performance requirements).
- Flame Safety according to IEC 60332-1-2, IEC 61034-1, IEC 61034-2 including Amendment 1 and IEC 60754-2.
- The cable has EMC Performance Rating 8.

On the basis of the information supplied and surveys carried out at the manufacturer's premises, it is considered that the above grade of data communications cable is acceptable for installation on a vessel classed with Lloyds Register provided that the installation and testing on board is to the satisfaction of the attending surveyor.

This certificate supersedes Certificate no. GLS 1300590-3A, issued 9<sup>th</sup> September 2013 which is hereby cancelled.
