Dear Sir,

Further to our recent discussion, below is the list of signalling cables for which Brand Rex Ltd have approved designs. Note: these approvals apply for all sheath colours, so long as the pigment does not exceed 5% by weight.

Approval Specification	Cable Description	Brand Rex Design Reference	Metronet Job Reference
SE966	Screened data cable		Jobs 92/27 and 93/07
G7624	Cable run twisted screened pair cable	G52932	Job 05/11
G7625	Track crossing twisted screened pair cable	G52938	Job 05/10
G7626	Equipment Room twisted screened pair cable	G52936	Job 05/11
SE955	Track bonding cable	G52931	Job 06/07
G7250 D2	Multicore cable run cable	L6582 (formally G52924)	Job 05/11
G7250 E2	Multicore track crossing cable	G52928	Job 06/07
SE774	Power and earthing cables	G52927	Job 05/12
SE1047	Concentric cable run cables	(see Job 05/09)	Job 05/09
SE1093	Equipment room single core wires	DR50252A	Job 04/08

Cont...

The designs and materials used have now been design registered and must not be altered from those stated on the above Brand Rex design registration data sheets without prior notification.

Please advise if you require any additional information or assistance.

Yours faithfully
